## SS Canister Organiser

### Canister Organiser

This is a winning design from Saviesa workshop. The neatly cutout wooden and Corian base holds up to 28 canisters. The height and the depth of the cutouts and canisters are perfectly matched to the drawer dimensions. This creates optimum utilisation of available space. 90cm drawer holds 28 canisters. 60 cm drawer can hold up to 16 canisters, small or big.

Big Canisters - 190mm

Small Canisters - 80mm

### Specially-designed Canisters

Saviesa designers are proud to present Savvy Canisters for perfect storage. 190mm and 80mm in height, which fit perfectly in standard drawers, and maximise the available drawer width, depth and height. Made of SS 304 grade sheet metal, they are 40% thicker than normal SS canister, and finished to European standards.

Topped with a unique see-through acrylic lid to easily see and pick up what you want. Savvy Canisters can be purchased individually according to your requirements.
