CRAFTING IDEAS
IN WOOD

Nothing can beat the allure of solid wood. Keeping with the Saviesa tradition to craft new ideas in furniture design... our Saviesa have put together their brilliant minds to redefine Solid Wood in myriad ways.

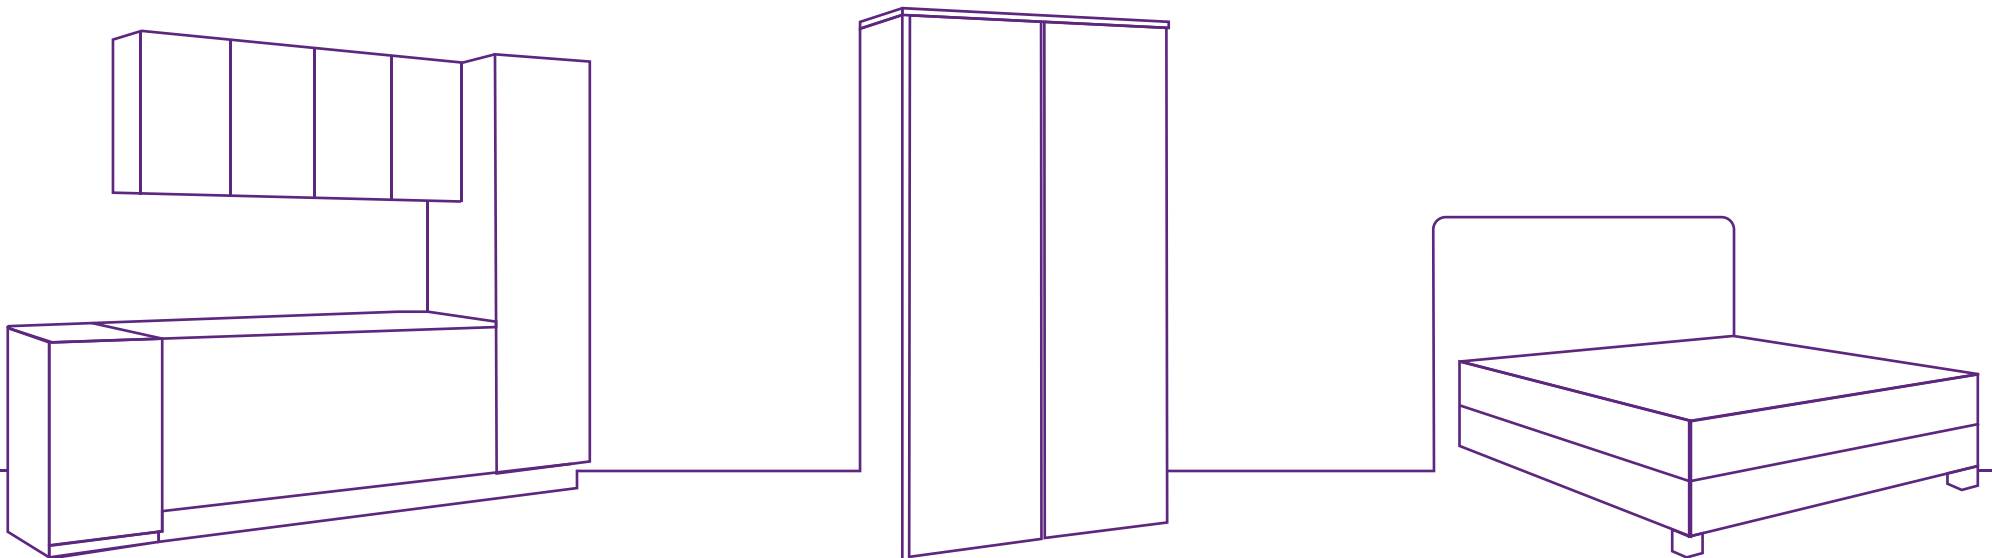

Along with a new and chic range of surfaces and stains, Saviesa brings you SavvyTri-tech - the tri-layer technology that makes solid wood immune to climatic changes, and gives it more strength and durability. Not to mention the sophisticated look and feel that only pure wood can give you.

So come with us to change your perception of solid wood forever.

Solid wood gets a modern lift with Saviesa's tri-layer technology.

- 1 3 layer technology with solid wood on top & bottom and metal in between.
- 2 Cross engineered for stability.
- 3 No expansion and contraction.
