

CRYLICA

Take a leap over the ordinary and land in the space of Acrylics and Synchro Laminates. Crylica will make you believe that a kitchen can be more than just a place to cook in. The most endearing aspect of this kitchen is the open element with chamfered shelves that give ample opportunity to display all your precious crockery and vases.

Features

- Shutters in High Sheen Acrylic and Synchro Laminate combination.
- Striking open elements with chamfered shelves.
- Muted textile colours for carcasses.
- Handle-less wall shutters with Pull-grip mechanism.
- High-quality appliances.
- Soft-closing drawer systems from GRASS, Austria
- Option to have trendy designer legs instead of skirting below cabinets, for easy cleaning.
